

## **MEMO of UNDERSTANDING**

### **Community Security Partnership Agreement**

#### **Benefits**

- » No cost to organizations to participate in security consultations and programs.
- » A full-time professional liaison (Director of Community Security, or Deputy Director of Community Security) to aid with security questions, plans, and resources
- » Access and use of a community-wide emergency communication platform
- » Physical security site assessments by the Director or Community Security or the Deputy Director of Community Security.
- » Education and readiness preparation for your professional team, lay leadership and constituents, as appropriate.
- » Identify & introduce your organization to local law enforcement

#### **Responsibilities**

- » Professional and lay representative from your organization committed to the Jewish Federation's security guidance and consultations, and to serve as key contacts.
- » Provide security site assessment results in partnership with the Director of Community Security, or his delegate, to your Board of Directors.
- » Commitment to having the proper professional and/or lay representatives attend security briefings and educational programs.
- » Agreement to have at least three key contacts partake in the emergency communications platform.
- » Proudly show participation and membership with the Jewish Federation's security team on your marketing materials, website, and facility as appropriate.
- » Support of the Federation's annual campaign efforts as it is a source of funding community security.
